On the central island  
between Buccaneers Den  
and Moonglow, Magincia is  
a natural target for  
plunder and magical  
side-effects. Ironically, it  
is the latter that tends  
to reduce the frequency  
of the former.

Perhaps the best way to  
describe Magincia is  
bright. But then, perhaps  
that is too kind. Gaudy  
might be more  
appropriate. Home to the  
largest diamond mine in  
the realm, the residents  
of Magincia have  
experienced the sensation  
of too much money. One  
of the many ways in  
which they have found to  
address this problem
